It is the responsibility of each party to test the technology they will use for the hearing by logging onto the hearing link at least thirty (30) minutes before the hearing begins. If the technology being used by any attorney or witness fails on more than one occasion and disrupts the hearing, the court may exclude that witness or attorney.

All witnesses must have audio and video on while they are testifying. All attorneys must keep their audio on “mute” throughout the hearing unless it is their turn to speak or they intend to object to a question posed to a witness.

No person may be present in the room with any witness during that witness’s testimony except their own attorney. The witness may not communicate with any person by any means during that witness’s testimony. If a witness needs to speak off the record with their attorney, the witness shall so state and the attorney must make that request to the court on the record.

Any failure to strictly comply with any of the provisions of this Order may result in the automatic entry of a dismissal, or a default, or other relief, as the circumstances may warrant, in accordance with Federal Rule of Civil Procedure 16, as incorporated by Federal Rule of Bankruptcy Procedure 7016.

The Clerk of Court shall serve a copy of this Order on all parties.
